

## Michael Gates

### Objective

Obtain a challenging technical internship to supplement formal education in Computer Science and Linguistics.

### Experience

**Intern**, Panasonic Avionics Corporation, Irvine, CA 4/2012 - 8/2012

- Assist a team of engineers in the production, testing, and debugging of airline inflight entertainment system software.
- Train new interns with skills developed over the course of the internship.
- Become familiar with company tools and procedures.

**Freelance Web Design**, Dana Point, CA 4/2011 - Present

- Establish quality web experiences through close communication with clients.
- Example work available upon request.

**Senior Certified Technician**, Staples Inc., San Juan Capistrano, CA 8/2011 - 7/2013

- Manage a team of computer technicians and train new hires.
- Provide technical customer support in store, in home, and over the phone.
- Meet and exceed sales goals set in personal technology services and repairs.

**Competitor**, ACM ICPC, 2015 Southern California Regional

- Recognized as the community college team that solved a pragmatic programming problem in the least amount of time.

### Education

**B.A., Computer Science; Minor, Linguistics**, University of California, Santa Cruz, June 2017

**Liberal Arts Transfer, Computer Science**, Saddleback College, Mission Viejo, CA, May 2015

**AP Scholar Award**: AP Computer Science, AP Language and Composition

### Abbreviated Technical Expertise

Linux and Windows system administration (workstation and server), Adobe Creative Suite, AutoCAD, ssh, MySQL, XML, Java, C++, Python, 8086, HTML, CSS, PHP, Javascript, etc.
